Objective of the Seed Capital

The Seed Capital aims to:

- Promote agri-tech and farm-based innovation
- Improve agricultural productivity and profitability
- Enhance food and nutritional security
- Foster entrepreneurship and startup ecosystem in agriculture and allied sectors
- Support locally relevant, scalable, and impact-driven solutions

Focus Areas / Seed Capital Themes

Applicants may propose solutions in (but not limited to):

- Sustainable and climate-resilient agriculture
- Water management and irrigation efficiency
- Pest and disease management
- Agri-mechanization and precision farming
- Post-harvest management, value addition and processing
- Digital agriculture, agri-tech and ICT solutions
- Agri-tech innovation including seed, input and extension innovations
- Livestock, fisheries, apiculture and allied sectors
- Other specific focus areas and challenges within the agricultural sector in J&K

Eligibility Criteria

Applications are invited from:

- Agri Startups based in Jammu & Kashmir
- Farmer Producer Organizations (FPOs)
- UG/PG/Research Students of J&K-based academic institutions with innovative agricultural solutions
- Progressive Farmers of J&K
- SHGs / VO / CLFs engaged in agriculture and allied activities

Amount of Challenge Fund

- ₹5.00 lakh per selected startup/enterprise per year
- Agri-based startups/enterprises may be supported in a financial year

Application and Evaluation Process Guidelines

- Eligible applicants must submit a detailed proposal in the prescribed format
- Proposals will be evaluated by a panel of experts in agriculture, agri-business, agri-tech and entrepreneurship
- **Evaluation criteria will include:**
 - ✓ Innovation and novelty
 - ✓ Technical and financial feasibility
 - ✓ Potential impact and scalability
 - ✓ Relevance to J&K agriculture
