

SIDAVES National Conference TECHNOLOGICAL INTEGRATIONS IN AGRICULTURE, VETERINARY AND ECOLOGICAL SCIENCES FOR VIKSIT BHARAT

26-28th February 2026, @SKUAST-J, Chatha, Jammu, J&K

About the Conference

A 3-day National Conference on "Technological Integrations in Agriculture, Veterinary and Ecological Sciences for Viksit Bharat" (TIC-2026) is being organized to give a boost to the Government of India's initiative of Viksit Krishi Abhyaan. Viksit Krishi will be an icon of Viksit Bharat and must be substantiated by sustainable and climate resilient Agriculture, Horticulture and Livestock Farming. Interdisciplinary blend of technologies seems mandatory as this is expected to yield transgressive results ushering an era characterized by higher productivity, improved quality, intervention of market intelligence and more profitability. In pursuit of Viksit Bharat, Government of India has taken initiative of Viksit Krishi Abhyaan seeking integrative transformation of agriculture through innovative technological interventions. To support this and give a scientific back-stopping to the initiative of Govt of India, SIDAVES in association with SKUAST-Jammu are jointly organizing a 3-day national conference *Technological Integrations in Agriculture, Veterinary and Ecological Sciences for Viksit Bharat* on 26-28 February 2026.
